left in February 1962.

technical ops - ran the  
teletaps - unilateral

chief ran everything

unilateral taps were on  
Sov. + Cuban. (extensive)  
in addition

Tom Harlett was over-  
all responsible for  
planning & directing  
Cuban Ops.

Harry Mahoney ran  
photo ops.

Only one photo base on  
Cuban Embassy. - F.E.  
was responsible.

Wilsted was running the  
base.

tech operation there also.

F.E. picked up production  
+ turned over to Zambarnadi  
for processing.

replaced by Tom Keenan!  
sez T.K. took over his  
operations - sure of it.

Glen Widdlen - TSO ran  
outside technical operations-  
equipment supply.  
"a major cog" - outside.

Mexi was very active but  
was almost entirely CI.
